GROWGROUP

Get more with these discussion questions about this week's message.

1. Share a time when you've felt rejected. How did you respond to the rejection? How did it feel to be rejected?
2. Read **John 15:18-20**
In light of where this passage stands in relation to the rest of the Gospel of John, what does Jesus want to talk about in these verses and why do you think he chooses this topic? What principle does Jesus introduce in v.20? What does he mean by it?
3. Todd shared a few truths from God's Word that, if adopted, can help heal the pain of rejection.
God made you beautiful. **Psalms 139:14**
God doesn't show favoritism. **Romans 2:11, James 2:1**
God can heal your past hurts. **Psalms 147:3**
Is there a truth that you're struggling to adopt? If you're comfortable - share with the group! This is a great time to encourage one another!

GrowGroup Challenge:

Memorize Isaiah 41:13

For I, the LORD your God, will hold your right hand, saying to you, 'Fear not, I will help you.'
