# GROWGROUP

Get more with these discussion questions about this week's message.

1. Are you panicked or hopeful about the world we live in?

Describe your daily conversations with God. What types of things do you regularly pray for?

2. Read Psalm 141

Are there any delicacies of the world that have corrupted our family?

To what evil things might our hearts be inclined?

3. Consider the three ways Jesus shows us to pray.

- We are to pray for ourselves to glorify God.
- We are to pray for believers-family to glorify God.
- We are to pray for Non-believers/others to come to know the Lord.

Which one will you take into action this week?

### GrowGroup Challenge:

Take the rest of your time together and pray. If you've never prayed aloud, take the time to utter a small prayer. End your prayer time with worship to some of your favorite songs!
